net2phone is one of the largest VoIP providers in the world and trusted by thousands of satisfied customers since 1996. Don't take our word for it...check out the buzz from some of our happy customers.

Our phone bill was cut almost in half and we have more functions than ever before.

- Bob H, Pennsylvania

Their customer support walked us through the set-up - it could not have been easier.

- Joanne S, Texas

I would recommend net2phone -- price, quality and customer service top notch.

- Eric S, California

The price is quite reasonable overall and was a big factor in our decision for selecting an International dialing plan.

- Brittany J, Colorado

Great customer service - always helpful whenever needed. Price is right - cut my phone bills more than half. Good features - and simple to use. Highly recommended.

- Eli S, New York

Phones were set up quick. No issues!
